Proposed changes to the By-Laws of Bike Newark

At its next regular meeting on November 21, 4:30 p.m., in the WILMAPCO conference room (8th floor, STAR Tower), BikeNewark will consider two alternative amendments to Article IV, item 6, of its bylaws.

The text in question currently reads:

"Liaison Members are representatives of partner organizations that work cooperatively with BikeNewark to advance common goals. Liaison Members do not have voting rights. These organizations include:

- a. City of Newark
- b. Delaware Department of Transportation (DelDOT)
- c. Wilmington Area Planning Council (WILMAPCO)
- d. Downtown Newark Partnership (DNP)
- e. University of Delaware (UD)
- f. Newark Bike Project (NBP)
- g. Bike Delaware"

Option A is to update the list to include a new partner organization (Delaware Greenways) and remove a partner organization that no longer exists (Downtown Newark Partnership). Under this option, the revised text would read:

"Liaison Members are representatives of partner organizations that work cooperatively with BikeNewark to advance common goals. Liaison Members do not have voting rights. These organizations include:

- a. City of Newark
- b. Delaware Department of Transportation (DelDOT)
- c. Wilmington Area Planning Council (WILMAPCO)
- d. University of Delaware (UD)
- e. Newark Bike Project (NBP)
- f. Bike Delaware
- g. Delaware Greenways"

Option B is to remove the list from the bylaws and ask the organization's secretary to maintain the list, which can be updated by the membership. Under this option, the revised text would read:

"Liaison Members are representatives of partner organizations that work cooperatively with BikeNewark to advance common goals. Liaison Members do not have voting rights. A list of such partner organizations shall be maintained by the Secretary. Changes to the list may be made by the voting membership following the rules laid out in Article VIII, Section A."
